Lines of Business Opportunities

OMB and the Line of Business Task Forces are focused on a business-driven, common solution developed through architectural processes.

•The following LOBs share core business requirements and similar business processes.

- Financial Management (FM)
- Human Resources Management (HR)
- Grants Management (GM)
- Federal Health Architecture (FHA)
- Case Management (CM)

•April: RFI issued for FM, HR, GM

•May: RFI responses received and analyzed

•June: Development of Target Architecture

Common Solution: A business process and/or technology based shared service made available to government agencies.

Business Driven (vs. Technology Driven): Solutions address distinct business improvements that directly impact LoB performance goals.

Developed Through Architectural Processes: Solutions are developed through a set of common and repeatable processes and tools.
